

Unparalleled Service

Carolina Care Solutions, LLC is a non-medical home care agency licensed by NC DHHS, bonded, and insured. All of our in-home care providers are extremely understanding, skilled and experienced in caring for people of all ages, including children. In addition, a Registered Nurse is always available during care hours.

We carefully screen our staff with extensive background checks, including social security validation, and diligent reference checks.

You or your loved one deserve to have all the comforts of home-instead of being placed in a nursing home or institutional facility. In-home care gives the one-on-one approach that cannot be received in a hospital or nursing facility.

Our services also provides one on one care for children with disabilities instead of a daycare facility, while allowing parents to work, attend school, etc.
